2017**

7:00 pm

Dorothy Kilgallen was a famous journalist and TV personality (Frank Sinatra called her "the Chinless Wonder"). She was the only journalist to interview Jack Ruby, who assassinated JFK's assassin Lee Harvey Oswald. She died mysteriously before revealing what she knew. Davidson Garrett's short play, starring the author himself, Joel Allegretti, LuLu Lo-Lo, and Don Zirilli, explores a conspiracy theory and will be followed up with a Q & A.
