

How to Get Started:

1. Register your reader at the Junior Room circulation desk at the Oradell Public Library. Pick up your log and recommended reading lists.
2. Start logging your books either on the paper log or on the app (search "1000 Books before Kindergarten" on your iPhone or Android).
3. Bring your log to the Oradell Public Library at each milestone (100 books, 200 books, 300 books, 400 books, 500 books, 600 books, 700 books, 800 books, 900 books, and 1,000 books to receive a small reward.
4. Any child who reaches 1,000 books will have his or her picture taken and posted on the BCCLS website (with your permission) and invited to a BCCLS-wide party in their honor. In addition, for each child that completes the program, a picture book will be dedicated to the child.
5. Remember: There is no begin or end date for this program. Just read with your child and ENJOY!
