presents

Chito Dakay

Music and Memories

Please join Chito on his return engagement to the Oradell Public Library!

After a successful summer at the Oradell Farmer's Market, Chito returns to the Oradell Public Library. Chito's eclectic playlist includes covers of James Taylor (mostly), John Mayer, Foo Fighters, America, Train, Cold Play and Van Morrison among others. He does the café gig circuit overseas whenever he gets a chance and special occasions like office holiday parties & picnics. Expect the concert to be interactive and fun.
