The historic **Book and Needle Woman's Club of Oradell** is a 501(c)3 organization established in 1915. We have been a member of the New Jersey State Federation of Women's Clubs (NJSFWC) and the General Federation of Women's Clubs (GFWC) since 1917.

We are volunteers in action making a difference in the lives of others in our communities, one project at a time. Our members come not only from Oradell but also from River Edge, Hillsdale, Dumont, Norwood and Waldwick. We meet monthly, September - June.

The club's noteworthy initiatives include the Debbie Kyritz Memorial Summer Reading Program at the Oradell Public Library, multiple scholarships to our high school seniors, sponsoring high school junior girl(s) to Girls Career Institute at Douglass College, supporting local food pantries, sending holiday stockings filled with special treats to our military troops around the world, sponsoring a high school student to the Hugh O'Brian Leadership Conference, and delivering Meals on Wheels.

Our current Special State Project is CASA - Court Appointed Special Advocates for Children. Over the next two years, club members will collect items needed for the children and teenagers in the system (duffel bags, gift cards, clothing) and educate the community about this organization through fundraisers and educational and informative presentations. Please check out the CASA display at the Library Circulation Desk for more information.

If you would like to be part of this energetic group, make new friends, have fun and make a difference in our community, please contact us at womanscluboforadell@gmail.com.
