Oradell Free Public Library 2017 Early Literacy Summer Reading Program (Birth - K)

June 26th - August 11th

This program is for children not yet reading independently. If your child is reading independently, you are welcome to move up to the next age group.

Here's how it works:

1. Register by going on to our website: <http://oradell.bccls.org>. This will allow you to log your reading online. Registering and logging online reduces paper and allows you to participate without stepping into the library. If this is not an option for you, please let us know and we will provide paper logs.
2. Each time you read a book with your child, log it online. If you are reading chapter books, we are assuming each chapter is one (1) picture book / Early Reader.
3. After every ten (10) books read, your child earn a small prize (limited to one per week). Each book logged also earns you a raffle ticket. At the end of the summer three (3) lucky children will win a Build a Better World Grand Prize.

The more you read = the more raffle tickets you earn!

Registration begins Monday, June 12th
