

Use your
library voice!

And not the quiet one either.

Oradell Free Public Library needs patrons to
speak up and **speak out**
to support increased library funding.

Please join us in opposing significant service hour
reductions and requesting funding to restore
previously cut service hours and acquisition budgets.

You can help by:

- Signing the Friends of the Oradell Library's *Change.org* petition to Oradell's Mayor and Council. Simply click on the "Use your library voice!" logo that appears at <http://oradell.bccls.org/>. Fill in your name and contact information, leave a message if you wish, and click the red "SIGN" button to "virtually" sign the petition.
- Submitting a "Use Your Library Voice" form that the library's Board of Trustees can share with elected officials. Forms are available at the library's Main Desk.
- Sending letters or e-mails that voice support for Oradell Free Public Library to the *Town News* and/or Oradell's Mayor and Council. Addresses can be found at <http://oradell.bccls.org/>.
- Joining the Friends of the Oradell Library. Applications are available at the main desk. New memberships, donations, and volunteer help are *always* welcome.
