

# WIN 2 TICKETS!

Considered the handsomest man in Europe, bel canto's great composer, Vincenzo Bellini, appeared to be going in a very different direction with Norma. It is a masterpiece filled with verismo styled passion, both in lyric and music. Masterfully telling the story of a Druid Priestess who has not only broken her virginal vows but is secreting two children fathered the Roman soldier Pollione, Norma is riddled with love, intrigue, jealousy, and death on a heroic level. This opera will put a chill up your back. It is truly a masterpiece making one wonder what Bellini could have accomplished had he not died so young.

**Date: Sunday, October 28, 2018**
